“ Seeing Jack was one of the highlights of my day; he never fussed or complained about therapy making him do his exercises--he just got on with it in true "Jack" style. He was a wonderful young man and I am honored to have known him. Rest in peace, my friend, and rise in glory. Mary Lou Stilwell, PT

“ Dear Leslie, Dan and Kate, I just heard from Lori today that Jack had passed away. My heart is breaking for you. It has been 4 months since my son Lon died and I know what you are going through. I will say that all the prayers on my behalf has helped tremendously. Without my faith in our Lord and the support of my family and dear friends, I would still be mourning greatly. Cherish your memories of Jack and know that times will slowly get better. May the Lord comfort and bless your family in your loss.

“ I so treasure those early Sunday school days with Jack and Kate, and Jack and Josey. I learned so much from them. And even at their young age, they each had such unique creative gifts. Seeing their hearts open to God's Word and His amazing creations was wonderful to experience. Time passed too quickly. Such a thoughtful young man. I know you are so thankful for every moment. So very sorry. Praying for each of you. Susan
