“ *Melissa,*  
*I don't know if you remember me, but I work with Quality Medical Supply and visited John to help out with a CPAP mask. He was such a determined, strong willed person. In that short visit, he made it well known, even as independent as he wished to be, what a stronghold you were to him... I left that day with such an admiration for John and you. I know you are searching for comfort now and I just want you to know that amongst the many prayers already for you, I will be adding others.*  
*Stay strong and trust in God to comfort you through this time.##imported-begin##Tiffany Stone##imported-end##*
