“ *Kay, I am so sorry for your loss. Although it's been many years since I left Owens Corning, I can still hear John's laugh in my mind. He framed many of my needlework pieces and art prints for me, and was a great guy to work with. God's peace be with you and your family at this time of sorrow.

“ Mike and Family, I cannot in any way express how deeply sorry that I am for your loss. Mike, as you know I am going through similar circumstances myself. I have been deeply touched by the outpouring of support and want to tell each of you to lean on that love that is coming your way from your family and friends. It is really special and I think that it really is the only way to get through this kind of loss. I was given a verse from someone the other day to help me deal with my loss and it hit home in a special way, just read Isaiah 57.1. it helped to ease my pain and I hope it will do the same for you. Much love...Rod##imported-begin##Rod Goins##imported-end##

“ Kay,
We are so sorry for your loss. I was telling Rick how I remembered Johnny all the way back to when y'all were dating, and us kids/teens would sometimes go over to his place in Belvedere. My how time does fly, didn't realize that y'all had been married 39 years! I know you are a strong person with a firm foundation in Christ and you will get through this.
