“ Well I have to say that I have a lot of memories of Johnnie. He is why I have such a passion for the Nissan 300ZX. He used to have a 280Z with T-tops that he let me drive when I was 16 and I fell in love. He always had a big heart and I know he loved me as a lil sister and I will miss him. Tonya

*I Love You! Miss you even more and thank you, this heart has not felt this pain since my mom, but I know that he is with Jesus and visiting with "Ms D", that's what he called her, told me before he passed he was ready and couldn't wait to see all his family. God Bless You Both! Annette you and Johnnie had something in common, you are forever young and beautiful. Keep that beautiful smile. :o)*

“ So sorry to hear of Johnnies untimely passing. We drifted apart like so many do after high school. But I cherish the memory we shared at JHS, the sports we played, the girls we chased, the trouble we seem to constantly engage into. Good times, he was a good friend. He was always so animated and entertaining, a joy to be around. Surely he will be sorely missed. I pray for God's love and grace to carry the family forward through the days to follow. God Bless.

*Jeff...thank you for your blessing, it is greatly appreciated and I can only imagine Johnnie in High School. I still have his clippings from basketball and football, have heard more than one story of those days, just know we lost him to early but he is with the father. God Bless You.*
