Karen, I learned today of Jon's passing and want you and J.R. to know how much I wish I knew how to comfort you both. Jon was admired by so many students, friends, and colleagues. (I liked to stop in the hall outside his open classroom door and listen to his enthusiastic lessons and hear the rapport with his students.) Beatrice Stevens

“ *I came upon this tribute site purely by accident but was a fraternity brother of Jon's at Furman. I must say one of the most unique and interesting people I have ever spent time with. We had another fraternity member with the same name a year younger than Chief and he forever was named Mud. He had an athletic picture taken of himself that had black strips of electrical tape on his feet to mimic Adidas. A true character. RIP Chief.*

Coach Williams taught Leigh and me the importance of economics, and Mrs. Karen taught Kyle the importance of math and mistletoe. Our prayers to Mrs. Karen and family. “ I had Coach for tenth grade economics. (I also had Mrs. Karen Williams for 11th grade Trig.) He introduced us to a fabulous program I had never heard of called Junior Achievement. Our students built a team, developed a product, and learned about expenses, profit margin, and marketing. Coach Williams set up a meeting for our team to present our ideas to executives at Kimberly-Clark (They make Kleenex and Huggies.) (I still remember walking into that board room - wow!) This was amazing to me as a shy kid growing up in South Carolina and ignited my love of learning about business.

When I attended business college in Ohio, I volunteered with Hamilton County Schools to teach these same concepts. Junior Achievement's Business Basics Program was a weekly class I taught to elementary students each fall. In turn, these inner city children taught me so much! It was fantastic to see their eyes light up when they realized that they could have their own businesses one day or work in corporate America. I had three classes of children over three years.

Thanks, Coach, for sharing your enthusiasm with me. Rest well with our Lord. Our thoughts and prayers are with your family.

“ I always looked forward to Coach William's class. I laughed and laughed and then the test came around, and I cried and cried! I learned pretty fast I could fail if I didn't get serious real quick!! I have used some of his Philosophies on my own children, recently I heard myself say, "...and that's the way the Mop Flops!!". Coach Willams was a Great teacher, a positive influence, and good friend to so many of us!! So Sad to see him leave us so soon. Be Cool, Coach Jon Williams and Hopefully we will All see you again Later. May God Bless and comfort your Family now.

“ My immediate family and extended family have heard so many loving stories from me about Chief. I remember when I was at North Augusta High School I was so scared to go in the crowded cafeteria that I ate my lunch in the girl's bathroom sometimes. When Chief discovered that I was doing this, he arranged for me to be his teacher assistant during lunch time so that I wouldn't eat in the bathroom. I also remember in the weeks before graduation Chief asked me what kind of shoes I was going to wear and I told him probably my sandals. He knew that I couldn't afford to purchase nice shoes and he insisted on taking me to a shoe store and buying me a pair of really nice shoes to wear during the graduation ceremony. This is just 2 of so many fond memories I have of him as a teacher and as a friend. Chief made an impact in my life to the glory of God.

“ Oh boy how I loved this man. Coach Williams (Chief) was THE GREATEST teacher I've every had. I remember being in class and him calling me "bucket mouth" because I talked so much. Coach Williams ALWAYS made us laugh, we couldn't wait for his class to start. His class was the highlight of the day. Coach Williams taught us what we needed to know without boring us with reading every page in the textbook. He Oftentimes used old adages and sayings to get his point across. He was an AMAZING MAN.... I wish that my children would have been as lucky as I was to have him as a teacher and mentor. God bless his family, I know that everyday with him had to be full of love and laughs because that is what our days in class were like. I will NEVER forget this great man. We have lost a great man here on Earth but Heaven has definitely gained a five star angel. REST IN HEAVEN COACH WILLIAMS YOU WILL FOREVER LIVE IN OUR MEMORIES. I LOVE YOU!
