“ *I am still in shock over the death of Jon. He was such a great pleasure to be around. We first met in 1976 when I was assigned to DDEAMC and he was a wardmaster. He was later assigned to the 91C school and was just great to have on the faculty. What a great assignment that was--everyone was dedicated to a job they enjoyed, we had fun. I don't know if he told you all of the stories about that time (how shocked he was when he found out my son was only 5 when we were out Jon's sailboat, or dumping Lila Stevens (our boss) in the lake). I know you have heard this many times in the past few days but we will miss him--a lot. Larry & Nita##imported-begin##Larry & Nita Eberlin##imported-end##*

“ Trisha

I worked with your Dad at Prompt Care and I am really going to miss my lunch buddy. We talked about everything and now I don't have a good listener. But I want you to know that he really love you, Lillie, and Nick. If you need anything you know that our second family is always here and please send us pictures.

Love

“ *I knew Jon from my daughter, Donna Epstein, who works at Prompt Care. Everytime there was a lunch at work jon would always get elected to be the bread man with his homemade bread. When I would visit Prompt Care, Jon would always have something pleasant to say. Everyone who ever met Jon will never forget him. He had a heart of gold. He always talked about his family. Trisha, Lilly and Nick were his treasures.##imported-begin##Jeannie Divilbliss##imported-end##*

“ Patricia

I was truly shocked to read of your loss. I met and worked with your Father from 1978-1982 at the LPN School at Ft. Gordon. I only saw Him a couple of times after that. I remember when you were just a child and He was so proud of you. You were in dance classes if I remember right, and my late Son Jaime was also a dancer.

Your Father was a big help to me when I first got into teaching and was an inspiration with his methods and how He interacted with students and other members of the faculty. He will be truly missed by all who knew Him.

God Bless and Keep you Safe in his Loving Hands during this time of sorrow.

“ Patricia your dad was one of a kind. He was the nicest man I ever new. He will be truly missed. As I sit here a remembering when he use to come to me at work with these jokes some of them I got and some I didn't but I would laugh anyway. He was so happy at his retirement party but you could tell he wasn't feeling well but as usual he never complained. I new Jon a long time we both worked at Eisenhower together. If you need anything please let us know. Your dad was a special person who loved you and Lillie alot and was always talking about and showing all the pictures you would send. If you need anything please let us know you are still apart of our family.

“ I worked with John. He was such a great resource person. Whenever I had a question especially about occ health, he was right there to answer me and walk me through it. He loved talking about his family especially Lilly. He would show me clothing apparell in the magazine and ask if I thought the baby would like it. He always spoke positive about people. I will miss drinking coffee with him.##imported-begin##Jane Simmons##imported-end##

“ Jon was one of a kind! He was a true friend with a heart of gold. He loved you Trisha more than you will ever know and Lilly was the bright light in his eyes. There wasnt a day that went by that he didnt mention your names or talk about Nick and him serving his country. Prompt Care was blessed to have him and he will never be forgotten by those who worked with him. It is still so hard to believe that I wont hear him tell us a story or be able to get his help on a question our children might have with their homework...He always knew the answer or would make sure he found it. All those who knew Jon were blessed to have known him and he will be truly missed! Dont forget Trisha that you have an extended family at Prompt Care and we are here for you! Love ya!###imported-begin###Donna & Emily Epstein###imported-end###

“ Jon will be truly missed, he was a part of us at Columbia County Prompt Care. It hit us hard at work losing Jon especially since it was only 3 weeks ago we all went out and had him a retirement party. My heart goes out to Trisha and Little Lily. Jon talked about Lily all the time and wondering always what he could send her next in the mail. The best thing that Jon did was fly to Alaska to visit, because he talked about that trip for months. May God watch over ya'll and keep you strong in your time of need.###imported-begin###Eva Elliott###imported-end###
