Rhonda, Misty and Angel.. I am so sorry to hear of Joe's tragic death. I worked at the Batch Plant and saw Joe every day up until I retired 5 years ago. At breaks and lunch he was always talking about Misty and her barrel racing and Angel in her school activities. He was so proud of Misty studying to be a Vet. He dearly loved all of you and y'all made him proud. He enjoyed working and providing for his family. He spoke of his mother as well and loved her so much too. I know it will be very difficult to try and go forward with all of your lives with out Joe but you will have my prayers in the difficult days ahead of you. May God give you peace, comfort and strength. Love In Christ Kathy Wyles-Batch Plant Laborer
