“ *Melissa, Noah, Elijah and Family,*
We are so very sorry to hear this about Joe. What a wonderful person! He always had a smile on his face and seemed so happy with life. Melissa, you probably do not remember us, it has been many years, but Johnny and I met you and your family at the river. Elijah was just a young boy and he loved to come and sit on our boat with us and eat boiled peanuts. You and Joe were a lot of fun to be with and we have thought of you all so often through the years. We kept saying we were going to stop by and see you all, but we never did. I sure wish now that we had taken the time. Joe is certainly going to be missed by so many whose lives he touched. You and he looked like the perfect couple. Please know that you all are in our thoughts and prayers during this most difficult time. We pray for strength, comfort and guidance in the days, weeks, months and years ahead. Rest in peace Joe and what an honor it was to have met you in your happy place at the river. Until we meet again, you will certainly be missed.

“ This is the most wonderfully well written description of someone I have ever seen. ❤️ and I wouldn't miss his service for the world. Heaven gained a great one and he will truly be missed but his love for everyone around him was so apparent. He touched everyone's life in some way, including mine and I am so thankful for meeting him. Fly high sweet Joe
