I have many fond memories of Joey and the Pack family that go back to the early 1960's at Newberry First Baptist Church and then much later to times he visited his mom at Springfield Place. His presence always brightened the mood in a room. I wish for his family tremendous comfort in their many wonderful memories. Sending prayers their way.

My condolences go out to the family. I had the opportunity to work with Joe when he, Col Bush and Jimmy Cowan were at the helm of contracting out several base operation services at Fort Gordon. What was at times stressful, Joe and his dry sense of humor helped lighten the load! He was a kidder yet very professional in his job! I've many fond memories of sharing the work day with Joe and considered him a friend! May God bless you with good memories and grant you strength to get thru this difficult time! “ Linda and family, very sorry for your loss. It has been a pleasure to work with Joe in Hawaii and become friends ever since. Your hospitality during my 2009 visit will always be in my memories, playing with your dogs, admiring your gardens, seeing North Agusta and Agusta in a convertible Tbird, having breakfast at your favorite regular place (with Joe's added menu item), watching your granddaughter cheer at a high school football game while snacking on boiled peanuts, meeting some of the family and just hanging out. Will miss Joe and will keep you in my prayers.
Aloha,
Layne Luke

“ *“What do you say when you’ve known someone for over 62 years? First met Joe on a scout jamboree at Little Mountain. We were about 11 or 12. We got busy with life, raising a family, and jobs, and so lost touch with each other, but though the miracle of the computer we reconnected. He loved a good joke and really loved getting one-up on folks in day-to-day life. We scouted, hunted, fished, swam, waterskied, went to the lake, wild dog hunted, bird hunted, camped, went to school, double dated, visited “Push Shumpert” for a pint of forbidden beverage, partied, toilet papered each other’s yard, frog gigged with sticks, tossed Coke bottles at mailboxes, almost shot his leg off once when my 12 gauge malfunctioned and fired—we just sat in the truck and stared forever, helped BB aka. Leroy win the high school presidency, and shared life together for quite a few years.....he was my best friend and closest I’ll ever have as a brother and I love and miss him beyond measure” May God cradle you in his arms, Joeceppi, and get the tent ready for those thousand hills.....Stu & Dora MacBeth*

“ Linda, I was so shocked to learn of Joey's death, heard about it here in Prosperity. We go way way back all being from Newberry County, remember when you all married. All the years of my father-in-law working with Mr. Cliff, I past their house yesterday and it is for sale again. And yes y'all even lived in Greenfields with us for years while our children were growing up. You and all the family have my sympathy.
