“ *Donna, Rocky and family.  
Just letting you know how sorry I am about Joyces death. I worked with her at university hospital so many years ago . I had not seen her in many many years.,  
The last time was when Donna brought her down to the Beach house at Edisto when Rocky was helping Dedrich with the air conditioning. She was a person you dont forget!  
God bless all of you at this time in your lives .  
Love from Jane Cole*

“Joyce was a little older than I so she taught me how to shag she sang it my wedding and help me through the many years with loving kindness a lot of people in Twin City may not know that she wrote the alma mater for Emanuel County Institute. It was published in the bulldog banner in 1951. What a lovely way to remember her.
