“ *What a life lived and a legacy left. Joyce was the epitome of a Southern Belle and God-fearing lady. My sadness is overshadowed by those in her generation transitioning to eternity this season. We were much better as a community, nation, and church with them. Their tenacity, fortitude and joy through it all, inspired us.*

*To all the family -- she knew she was loved and cared for by each of you. Her life was lived for the Glory of God, through it all. May we run the race as Joyce and finish faithful and finish well.*

*Blessings to each of you.*
