It's so hard to accept that your loved one has gone but it's also hard to see them suffer now just remember that he is no longer suffering and wouldn't want you to suffer for him may the Lord be with all of his loved ones and guide them day by day

I am so sorry for your loss. May God be with the family for the many years to come grieving. I worked with Juan a few years back and he was one of my favorite supervisors even tho he was never my direct supervisor. Juan was an awesome person inside and out. A loving man greatly missed.

“ Juan was a very fun, energetic very understanding person. and showed compassion for employees. I count it an honor and privilege of getting to know such a genuine man. He was the greatest. Everytime he came to the line I worked on he'd say or do something humors! He use to breakout dancing for no reason at all..then I'd cheer him on...go Juan its ya birthday.. He'd laugh and pat me on the back..saying oh you know I can't dance Jackson.. He was an awesome person for sure continued prayers to his family.
