“ *Juanita, being the oldest sister, and I being the fifth sister, always looked up to her for guidance and support. She was always a force to be reckoned with and I grew to admire her in many ways. She had an indomitable spirit which gave her the determination that she would accomplish what she set out to do and it would be done in style, intellect, hard work and imagination. All of these attributes she poured into her real estate company which became a huge success.*

To say that she will be missed is a huge understatement. She being the matriach of the family contributed so much in her prescence that the family will never be the same.

My thoughts and prayers are with her children, grandchildren and other siblings.

“ Aunt Juanita was a special person. We were all very fond of her. She had a special zest for life and energy. Juanita could "sell" an idea like very few can. We all are better for having known Juanita, and will certainly miss her. I'm glad that my daughters Lauren and Alexandra were able to know Juanita, and will always remember her. Our thoughts and prayers are with Susan and Valerie and all who mourn Juanita's passing. We know that since leaving this world, Juanita has seen Jesus and is now in the place in heaven that was prepared for her.
