“ Jason and family, I am so sad in hearing of Judy's passing and your loss of a wonderful Mother. She was a coworker and dear special friend. She was such a inspiration to all with a heart of gold filled with love and joy. She dearly loved her family and spoke of them often. Her heart was her children and grandchildren. She was such a strong person who endured so much in her illness but never complained . She never lost her wit or sense of humor .
I cherish our times we shared together. I pray you will find peace in knowing what a Godly person your Mom was and she is at peace now.
