“ *My beautiful sweet mama is gone and it still doesn't feel real. I miss her so much. She was the best and most selfless mother. A very strong and independent woman who sacrificed her entire life on me and my sisters. It is because, that is what she loved. <3 She loved each and every one of us in our big family.*

I remember each Christmas I would talk to mama about trying to cut the big family list. I would say, "Don't do for all of us (my sisters and husbands), just do for the kids, the younger ones. We all understood how difficult it would be to shop for that many people but nonetheless, as always, she never eliminated one person. She wanted every person to have something from their granny for Christmas. And each Christmas she made it happen!

I Love you so much mama. I wish you would call me, (just one more time) and ask me "Whatcha cooking for dinner and Have you talked to Judith? What about Amy? When have you talked to Charlotte? and When is the last time you talked to Melissa?"

.....,,Gonna miss that so much. I wasn't ready to let you go. It hurts to know the pain and suffering you had to be going through . So with that, I am happy that God took you to see daddy and now you suffer no more. Wish I could kiss you one more time.

Love you Forever Mama, Amanda <3
