“ *Time takes all but our memories  
Julie you were blessed with living by and growing up with all your family .Immediate family and your cousins aunts and uncles. I will always remember our trip to Disney world. and the fun we had. Your family truly had a wonderful bond and as God calls us one by one there will be a great celebration in heaven. You are loved and missed and well again in heaven*

“ *Julie--My first thoughts for you comes from the words of a song " Go rest high on that mountain"....*

*Everybody has a cousin but I had Julie, the best of the best. I was blessed to have someone who would just call and ask how are you doing? Been thinking about you lately & wanted you to know that I was praying for you.. I wanted to feel special but I realized that my Julie was always in prayer for me or someone else.*

*When Julie wasn't praying for you she was making you laugh with some of her life time experiences.*

*I guess I could go on for hours but just wanted to say that you're going to be missed and what an honor it was to have you as part of my life.*

*PS: Tell Jesus hello from all of us that remain and will be looking forward to a family reunion one day because of his works on Calvary.*

*Love, Larry & Mary Glover*
