“ Kameron spent the night with me about a month ago.. it was my first time getting to meet him, and he was a joy! Him and I spent most the night playing while everyone else slept. His smile was enough to make anyone's heart melt rather they knew him for 1 minute, or 1 year. I fell in love with him, and Alex the first night I got to spend with them! I can't imagine from a mother's point of view on how Tiffany feels, but I do know that she has a perfect angel in heaven watching over her; and he will see that his Mama gets through this!

“ Kameron was such a joy to be around! I watched him at daycare and that smile of his lit up my face everyday when I saw him. I know we may not know the reasons why, but he is in a much better place now and I am so happy that I got to be a part of his life, even if just for a little while. Rest in Peace Kameron, you will never be forgotten and your smile will continue to live on. I am so sorry for your loss, Tiffany.

You had to fight so hard to stay here when
