“ Karen and I were neighbors and friends for a long time. We played in the basement of their house on Good Neighbor Road and most of the time we just loved making Kathy miserable. She was a good friend who shared with me the facts of life, how to kiss, what boys to avoid and what boys to date. We used to have an on going argurment which one of us would get to Heaven first. You win May God surround you with His Glory that you will be rewarded for all that you have given in God's name. Family & Friends you are in my prayers. Reverend Valerie Herren Johnson.

“ Karen is my second cousin. I often visited and played with Karen and her sister Kathy when visiting family in Loyall, KY. I am deeply saddened by her death and wish all of her family God's blessings. She is much too young to have left us. I am also saddened that time and distance kept us from knowing each other in our adult lifetime. Remembering with love,

*My deepest sympathy goes to the family of Karen King. Although i am very late in realizing this, it is nevermtoo late to acknowledge one's feelings. Karen was a good friend, a good neighbor and a good dancer!! After we both moved on to,our separate life paths, I did not see her but she remains in my memory for a lifetime. My best to Kathy who is another wonderful one.*
