“ *To the Zippler boys,*

Your mother shed a tear when your parents sold the house to us in '96. It was bittersweet for her to let go of the home they built and had loved for 36 years. I still live here and I, like your mother, am grateful for the comfort and memories of this loving home. I wish you peace. Liz

“ I met the Zipplers while I was a member of NA City Council. I think of them whenever I pass the Municipal Building and see the clock that they generously presented to the city of North Augusta. Mr. and Mrs. Zippler were such sweet and gentle people. They were supportive of so many groups and good things that are of benefit to their adopted home town. I remember Karolyn as such a very pleasant and interesting person who always greeted everyone with a sweet smile.

My sincere sympathy to all her family members as you deal with this loss.

“ Karolyn was a valuable member of the Stillwell Sunday school class, Grace UMC Church, as was Don. They were a delightful and interesting couple. Garry and I spent many memorable visits with them. One of those visits included an invitation as their guests at a special recognition dinner at the Living History Park, North Augusta. They were active and supportive members there.
