“ When Mom finally got off the ventilator she kept trying to tell me something and I was guessing do want ice, tv, sit up.... I finally figured out she was saying " you're such a good girl" I started boohooing! never get tired of hearing that no matter how old your are and so glad that I could be there for her! The next day she told me I was wonderful!

“ Kyle and I took Mom to the gun range. She was so nervous at first, but after a few minutes, she was all smiles. She fell in love with the Walther P22. She has great taste! We love and miss you Mom.
