“ *Mrs. Campbell was one of the kindest, most warm and caring people I have ever known. She was a blessing to anyone who knew her, including my parents, T. and Betty Phillips. She was also a blessing to her church, and her faith was evident to anyone who was around her. Her warm nature and smile will be remembered by all of us, and she will remain in our hearts as a person we were blessed and privileged to know, even as she is missed by her family, church, and community. I know I will miss her.*

Sincerely, Deanne Risher

“ *Ed and Phil,
I was not able to attend the viewing and I was running the sound system for Mrs. Kathryn's service so again i did not get to speak to either of you.
I simply want you to know that the words i use here can never express what you Mother (and likewise, your Father) have meant in my life. I am priviledged to have known them since I was actually too small to even remember, but what I know most was Mrs. Kathryn was the two most important things a woman can be known for in this world: she was a true Christian and a wonderful Lady. May the Lord's special hand be upon you and all the family at this time and please pray that He will ease my sadness just as I will pray the same for you. She gave us joy in her life and now in her death because we who truly know her are certain she is victorious and in that I am so joyful in her reward today.*
