“ *It was with great sadness that I learned of Kathy's passing and wish to express my deepest sympathy. I remember the many kindnesses she did me and our fellow workers during my thirty years with Georgia Vocational Rehabilitation. There is no doubt in my mind that her memory will live on with those who knew her. I pray that the Lord bring comfort to her family and others touched by her life.*

“ *I am so sorry to hear about Kathy. I really enjoyed many years as her hairdresser and friend. She was so interesting and intelligent. We had many conversations about Bobby, her children, grandchildren and her mother and she always expressed how proud she was of all of you. I know you will miss her greatly. I will too. You're in my thoughts and prayers.*
