“ Carrie, I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of knowing your mom and I know heaven just received one of the most special angels. You are a reflection of your mom in the way your treat people with respect and empathy. Not to mention the way you care about people. I am so sorry for your, "our" loss. I know my kids will miss their "other grandma" and we are so grateful that you shared her with us. You all are family to us, and you know that we are here for you. Much love to you, Calvin and the kids.

“*Carrie, Betty, and Bob, I love you all, and I loved Kathy, too. I have so many memories, but that's what happens when you knew somebody when you were teenagers together. Kathy and I have both had ups and downs in our lives; however, we shared the characteristic of keeping on regardless of what happened to us or because of us. We both stood up and took responsibility for ourselves. I loved her whether we even knew where the other one was, and I know that she loved me, too. I had asked my Rainbow sisters in SC to pray for her, and I have shared her legacy with them. I'll be in Columbia with them on Saturday, but my heart will be with Kathy.*
