I just saw Kathy's obituary. It is with great sadness to see this, unbelievable. Kathy is an amazing woman and one of the first friends we made when we joined the Church. She was such a good example of service no matter what was going on in her life. We had so much fun at girls camp together and shared a lot of laughter through the years. I will definitely miss her but happy knowing she is back with Richard. The last time I actually saw her was at a wedding, she and Richard were there together. I'm glad to remember them both with the smiles and laughter that day.

“ Kathy, it’s your cousin Steph (aka Stephanie J Moose as you loved to call me). I have so many fond memories of you...too many to count...I remember your cartwheels, your Fleetwood Mac album, getting you into your jeans that were too tight for your date with Richard. We laughed so hard but we got you in those jeans by gosh! The many, many, MANY times we have laughed together. Your quick wit and sense of humor is like no other. And you are so talented! I don’t know if you ever knew just how talented you are. You taught yourself to play the piano and to sew and to lay your own tile perfectly in your bathroom. I still have the baby blanket and curtains you made for Megan when she was a baby. So BEAUTIFUL! And the dresses you made. And the absolutely gorgeous bridesmaid dresses you made for Susie’s wedding. Suz and I laughed so hard with you and Danita. It was a joy. I am so grateful you are part of my family, my history, and my story. I can still hear your voice the last time we spoke a few weeks ago. You sounded happy and that made me happy. I cherish every time you told me “I love your very guts.” I love your very guts too, Kathy. I miss you and the world feels smaller without you in it...but I know we will see each other again. Rest in peace my precious cousin. You deserve all the love and peace and comfort and joy. I know you are dancing in heaven with Richard! It was a celebration when entered those pearly gates. Please hug cousin Lynn and Donna so tight for me. Prayers of peace and comfort to all those have loved you Kathy. I pray a blanket of peace and protection over Lois, Danita, Sandra. Johnathan, Joseph, Mathew, Timmy, Hannah, all our cousins, and all your nieces and nephews. Lord, I know you will take very good care of Kathy. Please give her a little extra love.

Until we meet again Kathy. I love you and you will always be in my heart and a part of my spirit.
