“ To her extended family, she was Katherine. To know her was to love her! She was always such a joy to be around. Even recently, her face would light up when she talked about her grandchildren. And, she was always just as interested in hearing about our family. Jimmy, Mark, and Matt, we hate that we can't be there today. To you and the rest of Kathy's family and close friends, may happy memories bring you comfort in the days to come. We love y'all!
