“ Brad had been one of my dearest friends for over 10 years. Glenn and I spent a lot of time with him and Robert. We so enjoyed our dinners at Christine's Farm to Fork and other places too. Brad loved Christine's though. So do we. I will always miss his generous nature and his sense of humor. This still doesn't seem real. I hope he knows we will be there for Robert . Robert was his greatest concern since becoming ill. Until we meet again Brad.
