“ My name is Buddy Giles. I served with Ken aboard the USS Sandoval APA 194 before his deployment to Viet Nam. I was new aboard in 1967 and he was seasoned. He helped me learn the trade in so many ways and helped me to make rate as a 3rd class Boatswains Mate. I was searching his name in Augusta, Ga. in the hope of reconnecting with him when I ran across this. I would have recognized him anywhere even with the beard. Ken was one of the genuine good guys that I had the pleasure of knowing and there just aren't that many like him. I am so sorry for his families loss and so very sorry I waited too long to try and reach out.
