“ I'm Free

Don't grieve for me, for now I'm free. I'm following the path that God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way. I found that peace at the close of day. If my parting has left a void, then fill it up with remembered joys. A friendship shared, a laugh, a kiss---Oh yes, these things I too will miss. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your heart and share with me. God wanted me now, He set me free!!! Betty, Evan, and Casey:

I want you to know that this is not the end of Ken's life, but just the beginning! As heartwrenching as it is to lose him so prematurely, he is in a much better place, and is there up in Heaven with loved ones that have gone on before, waiting for us all to get there. He was not only a good friend to me when we worked together in H Canyon, but a mentor, a brother in Christ, and he played a very important part in strenghtening my walk with the Lord, by example, in the face of daily adversity, and I will be forever grateful. To Evan and Casey: what fine young men you have both turned out to be. I am sure that your Dad is very proud of you both!!

My thoughts and prayers are with you all, during your time of grief, and I pray that the Holy Spirit will comfort and fill the tremendous void that you are feeling.

If God brings you to it, then God will get you through it!!! What a joy and an honor it has been to be able to call him my true friend!!!##imported-begin##Danny Thompson##imported-end##
