“ *I met Kristin via video conference. Our laptop was outside on a log next to the hitching post and I set up a Zoom link for us to connect with video and sound. I led Aurora, AKA Brooks around the corner and showed him the laptop. He stuck his nose right on the screen. Kristin was on the other side. It was instant love. She started crying. I tied him and brushed him, picked up all his feet and threw a saddle on him. Kristin would have bought him right then and there. I said, you need a vet check . . . so the next week I brought the laptop to the vet along with Aurora and he went over the horse to ensure all was healthy and sound. I was planning to visit South Carolina one day, and was looking forward to a visit from Kristin one day out west. She loves horses and we love her. Hearts from Windy Coulee in Pincher Creek from Heidi, David and the herd.*

“ I have struggled for a few days now to find the words to type, and I realized, it's because there was nothing left unsaid between us. And I am so thankful, grateful, and blessed to have had that kind of friendship...no, sisterhood, with you. My life was changed the weekend I met you. Changed in such a way, that I will never be able to go back to before, nor would I ever want to. I love you. Save me a spot at your table.

“ Dear Kathy and Family,
I am so heartbroken and sadden during this time of loss of my colleague and teammate, Kristin. I send my prayers and thoughts to all of you. I will never forget how bubbly, and full of live Kristin was. She had the most infectious laugh, and would tell the best jokes. I would see her on Fridays leaving for the weekend that she lived for. Kristin is greatly missed and loved by all of us. God be with you all during this time of grief. Go Bulldogs!

“ Below are my thoughts on our girl Kristin tell me what you think. Need help on where and how to post.

Texas Carolina Farms has lost a very special charter member. We will always cherish the special time that Kristin and her "herd" boarded with us. She always had plans for the next great horse. No geographical limits in her search as we welcomed a new Canadian Equestrian project! Kristin teaching career benefited this 60 something rider. Free lessons she recognized my potential, she said "you know Mr. Wayne I teach 6th grade, that's perfect for your potential riding skills!!"

I know this as Kristin makes her heavenly journey Ms. Bailey will be tacked ready to ride those green pastures. I just hope St Peter has a good gate latch and horse safe fences or he will have hell to pay!!

“ Kristen was my wonderful co-worker and friend at Lakeside Middle. She always made me laugh at her witty side and big smile. She taught my son also, and I am forever grateful and blessed to have known her. She will definitely be missed by so many people, and made a lasting impression on all of us. It is now time to "Go Rest High On that Mountain and go to heaven a shoutin' love for the Father and the Son." Sorry for your loss.

“ *Kristin was a beautiful person, inside and out. She blessed me with her friendship at a most difficult time in my life. She was my buddy, and cared so deeply about so many. The world is a lesser place without her laughter, her smile, her joy, without her. I will miss you so very much, my dear friend. Rosemary*
