“ I just wanted to say that it took me a very long time to do this so i could maybe have closure for myself. But Kurtis heaven gained an angel when you left us. you were nothing short of amazing and just overall aspiring person. you never failed to make others happy before yourself, you always had a gift to make people laugh about anything. everyone that has lost you will grieve a great deal but i hope that we all can know and understand that you are where you belong and god called you home. kurtis you are always loved and cherished.

“ I have been blessed to know all of the Phillips children as students at Jackson. All of them are kind and polite. I remember Kurtis as the silly and busy one of the group. He was always messing with someone during car dismissal and quick to smile at me when I caught him. Kurtis will definitely be missed but Heaven has gained an angel. All of the family will remain in my thoughts and prayers.

“ Kurtis was my 7th Grade ELA student at JMS. He was truly one of a kind. I use to call him Goober, from the Andy Griffin show because of his dark, curly hair. He would smile each time I called him, Goober. To his family and friends, may the memories you hold in your heart bring you comfort and peace in the days to come. Ms. Jacobs
