“ Dear Sandra and Terry. We are very saddened to hear this news. Our hearts hurt for all of you. She was a beautiful lady with such a tender heart for animals, just as our children are.

We are going to be out of town this weekend and will not be able to attend the Memorial. Our oldest grandson, Darrell's son, is graduating this weekend, 600 of them, and we have been there, this will be the third week, for the festivities. They live in Medina.

Please know we are praying for you and your family. It is amazing when we lean on the Lord how he comforts us and knows our needs.

Give your mother a kiss for us.

Love
John and Brenda

“ Lana was a co-worker of mine and I am honored and grateful to have had the opportunity to know and work with her. I always looked forward to her coming to the office as her smile and laughter picked me up when I was having a bad day. She made me feel that whatever I was stressed about really wasn't that big of a deal. She was such a beautiful person so full of love and passion for her work. Lana brought an array of sunshine to everyone at DHHS. I admired her compassion and willingness to help others. She was my hero! We will miss her dearly. Prayers are going out to Fritz and Lana's family.

“ Lana was my neighbor and best friend growing up. We used to have the best time playing. We would always tease her and my brother Dan that they would get married one day lol. Those were the days. Lana was and is the most caring and loving person I have ever known. She was full of energy and always made people smile. She will be greatly missed but fondly remembered for the awesome young woman she turned out to be. She touched a lot of lives and was passionate about taking care of and rescuing animals. She will always be remembered for her kind, caring and loving soul.

Lana was a co-worker and friend, we always talked about everything when she came into the main office. She was really excited about her children (pets) as she called them. She was sweet and very bubbly every time we talked. She brighten every day. We road together, with another co-worker, Carmen Roa, to the Employee Appreciation Day in Columbia, SC a couple of weeks ago and had a ball. We talked about Fritz and my Husband, her nieces and nephews, Carmen's children, and mine. I will miss her very much. My prayers are with you, Mr. and Mrs. Dyer and of course with Fritz. There is now a brighter star in Heaven named Lana.

I've known Lana for 15 years or more. We worked together at the "fridge" lol I still remember our first conversation and we became fast best friends. We talked almost everyday even when she moved back to Ohio to live. She loved her family and bragged all the time about her sister and brother, Loved her nieces and nephew to the moon...and always said that Fritz was her best friend and I just had to deal with that lol.

I will forever have a piece of me gone now that I will never replace. I pray every minute for the Dyer family and Fritz, Ali and Coco. Know that she was and is loved by us here in SC.

Please accept my condolences. I got the opportunity to know Lana when we worked together at Electrolux, so long ago. But I always remembered how nice, kind and energetic she was. May you find comfort in knowing the bible speaks of a time when Jehovah God "And he will wipe out every tear from their eyes and death will be no more, neither will mourning or outcry nor pain be anymore. The former things have passed away", Revelation 21:4. May the God of comfort (2 Corinthians 1:3) comfort you during your time of need.
