“ Laraine was a really good person. I also
worked with her and she was as pleasant as
anyone would want a person to be with them.
She loved her family and I know what it is like
to lose someone who you dearly love and she
will be remembered because of those special times together. I pray
that GOD will give you strength that you need now and in the future.
Know that family and friends will be there to help you through these
days ahead.
