“ Larry was a lifelong friend and I will dearly miss him. We grew up together as next door neighbors on Georgia Ave., swam together at Panic Pond, and played football for the Yellow Jackets. It has been many years since I have seen Larry but we have talked through the years. Most recently when my brother, Sandy, died in December. Larry was a loyal and good friend and had a great heart. He lived a good life and I know his family and friends life will be heart broken by his loss. Warm regards, Thomas (Jabo) Sanders.

“ Rosalie and the entire Baynham family: So very sorry to hear of Larry's passing. He was such a shining example of how mankind should live and enjoy life. Larry's compassionate nature and genuine concern for others' well-being was felt by everyone he met. I truly treasure our friendship of 50 plus years and cherish the wonderful memories he gave me. His smile (and sometimes his uncontrollable laughter), his loyalty, and his devotion to his family, will always remain in my memory of a life well lived. I wish for each of you many pleasant memories of times you shared with Larry and those memories help to ease your pain during this time of deep sorrow. God bless you. Jerry Priestley

“ *So saddened by this news of Larry's passing. His family probably does not know me by name but I am part of the Aiken Baynham's. Larry, Ned, Robert and I were all in high school about the same time. We were rivals in the highest degree because I attended LBC. I was a cheerleader and they played ball. I remember going to the NA side during halftime and visiting Clifton and Hazel. I also remember going to their home many times on GA Avenue. I have fond memories of them all and last time I saw Larry was at a Baynham funeral in Aiken. I am not physically able to attend but know my thoughts and prayers will be with you all during this very difficult time. Larry was a wonderful person and I am surely he will be so missed. Knowing that he is sheltered now in the arms of our Master will bring comfort to you I hope.*

Shawna, I'm deeply saddened for your loss. Although I had only met
him a few times, I understood and appreciated his zeal for life and
family. He enjoyed his sports and his dogs, and I still remember
"Fonzie". He will be sorely missed by all that knew him.
