Wilma Liles

It is with a sad heart that Our Nephew Larry Liles and his Mother, Evie passed on the same day,. Please say a prayer for his sister Debbie and the family during this sad time. Larry was so loved by all of us and his precious fur baby. He was kind to others and always had a great sense of humor that he inherited from his dear father John. Larry never forgot his family and brought his father John to Spartanburg to visit his brothers and sisters. We all are going to miss Larry's visits, his smile, and his laughter!! Until we meet again in Heaven Larry. Our Love and prayers Debbie. Wayne and Wilma Liles.

“ *Larry has been a dear friend for well over 40 years. We shared many fond memories over the years and he was a trusted confidant. He was the brother I never had and I loved him as if he was my brother. A little older and much wiser than I could ever hope to be. I will miss you my friend, until we meet again on that distant shore my brother.*

“ Larry was and still is the best friend I have. He is one of the first people I met in Jackson at the age of 6. We had many great times together. He has left us for a better place with God, his family and friends. My family will always cherish the memories we have of him and his family. We Love You Larry. Dee and Sandy Barsh.

“ *I have known Larry since his sister married my son. I find it hard to think of Larry with sadness, as he found so much about life to smile and laugh about. He was a gentle, introspective person who gave much of himself, and shared whatever life blessed him with. He had his workers paint my garage, so every time I start my car, I will see Larry surveying his worker's work. Give my love to Evie. Enjoy the rewards I feel sure are awaiting you. RIP Good Buddy.*
