“ Our thoughts and prayers are with you all. We are so sorry for your loss. Sarge was a good friend to us. May all your great memories help you through. Rodger and I will not be able to be there with you all due to Rodger having a fractured hip with the screws backing out and no weight bearing on that leg. We were so proud that you both were able to be at our Retirement reception. Our hearts are with you.

“ Mike & Dean - very sorry to hear that Larry passed away. I had not seen him in awhile, but my times around him were always fun. He had a great sense of humor and I enjoyed some fun trips to the Shrine Bowl with him and Mike & Dean. I have many fond memories of Larry and his special gift of making you laugh and smile. My thoughts & prayers go out to all of the family.

“ I did not know Larry but I know his son Dean. His son is a caring, compassionate, and overall great person to know. To me this means his Dad was of the same character. It sounds like I found out where Deans sense of humor comes from.
