“ Jack, Pat & Trey, I was so sad to read of Laura's passing. She was such a sweet and beautiful lady. I remember working with Jack at C & W Tire and how nice and wonderful she was to me. If there were more people like Laura as well as your whole family the world would be a much better place to live. I know that right now your family is so sad and there are lots of tears being shed but after awhile you will smile when you think of Laura. You were so lucky to have had her in your life. Heaven has gained an "Angel" and I know she is watching over you all. I pray that God will get you through this very tough time.

Much love to you all.

So sweet Sharon. I and all my family felt the same way about her. I only found out this afternoon, so I missed the service, but sure want Mr. Fountain to know how sorry we are. They were one of my parents' favorite couples, and us kids growing up as well.
