“ *Something that was so special to me was when we finished all of my retirement paperwork . And we were just talking about losing my wife and caring for my son , when I had mentioned about being saved her face just lit up and she asked me to follow her to a coworker’s office where I shared the news with her . That really meant something to me and how amazing she was . Prayers for the family and friends .*

“ *Laura you were so loved and appreciated by so many. In true Laura fashion You pushed me into taking a job working for your attorney after I took a short retirement from SRS. It was out of my skill set and my comfort zone for sure but I was truly thankful ❤️ I enjoyed helping people especially you and Scott. Praying for your sweet family and I know heaven gained another Angel 😇 A very hard working Angel!*

“ This week has been such a struggle for those of us who worked with Laura. I never imagined when she called me several days ago that it would be my last time speaking with her. I am still in disbelief! She will be greatly missed by her co-workers. Continued prayers for her family.

“ I can't believe this is real. I am completely heartbroken. She was such a wonderful friend to me for 20 years. I will never forget all the great memories we made. From the baseball field, and when you and I decided to coach the basketball team. Every time I was with you I was laughing and so happy. I will miss you so much my sweet friend. I know I have the best guardian angel watching over me. Scott, continued prayers for you and the boys. We are always here for all of you. Until we meet again.....

“ I am so saddened to hear of Laura's passing. She and I worked together many years in Human Resources at SRNS. She was so smart and helped me many times. We shared a common cubicle wall and had many laughs throughout the day. God bless the family and hope you find comfort in the days ahead. Becky Proveaux.

“ *To the Family: Laura was a very dear friend and co-worker. She worked with me in her first job at SRNS. I am saddened concerning this news and will share this poem in her honor: Love Lives On. Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one is gone. Those we love can never be more than a thought apart, far as long as there is memory, Laura will live on in our hearts. Author Unknown*
