“ *We have known Gail for many years now. Though the Army took us away from the area, I still keep close the fond memories we have of Gail and how she always had her home open to us as a young couple. They always made us feel like family. We love you Gail. Thank you for being there for us. You will be missed.*

“ Gail was not only a beautiful person inside and out, but a caring individual. All the times I were around her she was always joyful. I know she loved her family and the Lord. Our lost is Heaven's gain. I know she touched each person she came in contact with. She will surely be missed.

“ Aunt Gail was always there for me. Her home was always opened to me, and most of my favorite memories were there. Even at my brattiest she always loved me and did her best to keep me in line. I needed it lol. If it wasn't for her and Ginny I don't think I would have been able to finish college. I feel bad I didn't keep in touch like I should have. Life has a way of keeping you distracted from the things that mean the most to you. I love you Aunt Gail, and give Mama a big hug for me. :)

“ I only met Gail a few times, but I knew at once she was a good and gifted person. She has now seen the face of God and will live a happy life in Heaven. No more pain and suffering. I know her family and friends will miss her. I will miss her visits to Grace United Methodist Church.

“ Anyone blessed to call Gail Davidson a friend was truly blessed indeed. A proud, loving, doting wife, mother, grandmother, friend, who was also a very gifted photographer, spent her life serving those she loved and sharing her gift with everyone she knew. She is now in the presence of the Lord, but she left wonderful memories, many beautiful photos, and a piece of her heart for all of us to hold on to.

“ Gail was always the type of friend I could not see for weeks or months, but whenever our lives did connect, it was as if we had never parted. I shall miss the most her smile, optimism, passion for life, amiable nature, and love she so freely gave to family and friends. She was always there for anyone who needed her. Her family loved her so much, and I know that her absence has left a void in their lives. May the precious memories be forever engraved in their souls and spirits. I know that Gail knew God's amazing grace, and when I play "How Great Thou Art" in memory of Gail at the celebration of her life, I will be playing the reality she is now living. Heaven gained an angel in Gail's passing; I will miss my friend and sister-in-Christ, but I envy the perfect peace and rest she now has. One of my last memories of Gail will be her clutching a Bible and not wanting to let go in the hospital bed last week. I will continue to pray for Gary, Ginny, Gary, and all the family and friends who loved Gail so much. Until we meet again, my sweet friend. . .

“ Gary, Ginny and family members, I am so sorry for your loss and asking GOD to give you Peace, Strength and Comfort during this time in your life. I know Gary and Gail have shown love for GOD for so many years and can remember them in NEW LIFE. I can remember how much praying they did for Ginny during her medical problems and it was so wonderful to see how much prayer they put into it. I know that the family will have great memories of their wonderful time together and time she spent with the grandchildren. She is with her family members who have gone before her and I am sure smiling. Take care and know that GOD is walking with you through it all. The song "Stay Strong in the LORD" comes to mind. Erma, Andrea and family.

“ Me and my family met Gail and her family in Stone Mountain Georgia in the 70's. We became fast friends. Later when we all moved away we kept in touch and even vacationed together. But, as with most, we lost touch and drifted apart. My heart is heavy, I am truly sorry that she is gone. All the wonderful tributes remind me of her light and joy with many. My prayers for strength to her family.

“ Gail was one of my very favorite clients when I was at Aidmore many years ago. Seeing her name on my appointment book never failed to make me smile. She adored her dogs (as did I), and she always followed my recommendations for their care. She even followed me when I moved to Aiken and practiced there. Over time, I got to know her better as a person...sharing her excitement when her twin grandsons were born. Even though I later left general practice and didn't see her, we kept in touch. I will miss her warmth, wit and unwavering faith. Peace, comfort and blessings to her family and friends. She will truly be missed...

“ Gail was one of the truly best people I have ever known. She was so in love with her family, her friends and life. From early childhood, we became lasting friends who could laugh through tears while discussing anything. So many people will now be lost because we do not have Gail to talk to and hug. Thrilled that my family has magnificent pictures taken by her plus needlework to wear and displayed that Gail made with seamless effort. She only wanted what was best for everyone. Special heartfelt prayers from all the Rawlinson family. We love you and will miss you more than words can ever express.
