“ *As I write this tonight, the fond memories of Aunt LaVerne are running through my mind. We had so many special times together. Aunt LaVerne was a most loving, caring and thoughtful lady. She loved her family with all her heart and always went out of her way to show how much she valued them. Whenever Aunt LaVerne and Uncle Ted would come to visit I always got very excited to see them. When we visited her she did everything she could possibly do to make sure we all had a great time. Whenever Aunt LaVerne and my Mother were together there was much laughter and joy. I always had so much fun just watching and listening to the both of them. They enjoyed being sisters and loved each other dearly. I have such peace in knowing that Uncle Ted, Aunt LaVerne and my Dad are all together in heaven waiting for my precious Mother to join them someday. The four of them always had such special times together and had such a tremendous bond.*

*Aunt LaVerne was the rock of our family and looked out for all of us. We are all blessed to have her in heaven now watching over us and being our very own special angel. My life has definitely been richer by having had such a wonderful aunt and I miss her dearly.##imported-begin##Dale Walden##imported-end##*

“ *My condolences to Ted Jr. and Matt. Aunt Laverne was my beloved Aunt, a fun, caring and thoughtful lady. We always had a good time when we were together.*

*Growing up, my sister and I stayed every summer with the McKies, in South Carolina. Uncle Ted always let me go fishing with him (to paddle the boat). Another time, he picked me up at school when Monte was born and I went for 2 weeks to help Aunt Verne. We had great days together - shopping and getting perms from her. I loved helping Uncle Ted with yard work or building something out of wood. I loved them both very much.*

*Some of my other favorite memories were Aunt Laverne & I traveling to visit Martha, my sister in McComb, MS , stopping in Biloxi and New Orleans along the way. We also flew to California following Ted's back surgery to help him. It was a great time together.*

*Aunt Laverne loved Ted Jr., Matt, Monte, Melinda and Mitchell with all her heart. She also loved their pets, Bandit and Askhem. She was such a caring Mom, Grandmother, Mother-in-law, Aunt, Sister, and Wife.*

*I will always love her and I miss her every day. I know, Aunt Laverne is with Uncle Ted, and they are very happy in heaven.*

“ Aunt Verne,

*Growing up I always looked forward to the time I spent with you and Uncle Ted. I have only the fondest memories of each and every time you were in town or we came to visit in Florida. The impressions left on me by the two of you were great and I will never forget the fun we all had together. There are many times I have spoke about you and Uncle Ted to countless friends who never knew you all just to relay a funny story or life lesson I learned from you all. I'm sure that won't stop in my lifetime and will most likely carry on for sometime after that. As you make your way home, tell everyone I said hello... especially Uncle Ted and my Granddaddy. Thanks you for being such a sweet, loving, funny, and great person to me and making such a difference in my life.*

*I love you,*
