“ *To the Lowery family I will be praying for you. I went to high school with lee also and had e-mailed him about the reunions with him. Every time I hear the words "Good Ole Boy" I thought of him because that is how he would sign off. I know he was very proud of his daughter and family, in one e-mail he referred to his daughter as his soul mate that they were like two souls joined together and how much her spirits had uplifted him since his accident, you could really feel his love for her when he spoke of her. Again he will be truly missed and I will continue to pray for his entire family, God Bless You All.##imported-begin##Susan Harper Cromer##imported-end##*

“ To Aunt Joan. We are terribly sorry that Lee has passed. It was certainly a shock. I recall the days of our youth when Uncle Herbie was still with us. Those were fun days and I/we will always remember them. Through God's will you will get through this and in time you will begin to heal. Lee will always be with us and one day we will see each other again. God Bless you and Leia.

“ To the Lowery family,

*I was so saddened and shocked to see that Lee had passed away. I went to Jr. High with him at NAJH but we kept in touch through e-mails over the years. We loved to have debates over politics as he was the Good ole boy "Warhawk" Republican and I was the tree hugging Liberal Democrat. Of course we both always thought we were right.*

*He was also the one who always tried to get us together for a reunion. He didn't forget a single friend he had in school. He will be missed!*

*My thoughts and prayers are with you all.*

*Ginger Sitler*

*Hold fast to your memories,  
to all of the cherished moments of the past,  
to the blessings and the laughter,  
the joys and the celebrations,  
the sorrow and the tears.*

*They all add up to a treasure  
of fond yesterdays  
that you shared and spent together,  
and they keep the one you loved  
close to you in spirit and thought.*

*The special moments  
and memories in your life  
will never change.  
They will always be in your heart,  
today and forevermore.*
