“ *Your mother and I both grew up in Ward. I have fond memories of Leila and her family. I can remember visiting with my mother at her home there. Leila was always uplifting and a joy to be with. She and John were a special match. I remember you girls when you were little especially Gail and the part she played in our wedding. I am so sorry for your loss. You are in our prayers.

“ *What a true vision of a woman of God, never once did I ever see her put her needs before others. She was a wonderful wife to John, and a 2nd Mother to me. To share a memory, she was the 1st woman that I heard ever say, " well I declare !! "... she was a good and faithful servant, and she is sitting today at the feet of Jesus..holding John's hand...*

“ *To my back yard neighbor, you will be missed greatly and even though it's been a while I will cherish the visits at the fence on my trips home. John and you always with a kind word no matter how long I had been gone. The fun times I had growing up with your daughters will forever be in my memories and how special you always made them. Rest easy my friend and we'll be seeing you! RIP*

*Your mother and grandmother are/were very special to me. I never got to spend as much time with them as I would have liked, but the times we did were more than awesome!! And we must have gotten their "youth" gene...because you certainly don't look like you are older than me!!*
