“ Hazel I am so sorry to hear about your mom. I know the last time we e-mailed you said she was not doing well. The Lord has a purpose for all He does and I know that your mom is in His protection now. With that said you may start getting the needed rest you need. You will be in my thoughts and prayers.

Hope to see you soon. Love Peggy##imported-begin##Peggy W. Herring##imported-end##

“ *When life's journey has ended, the memories will continue to live because they are placed upon the heart and mind like footprints in the sand. When the ones that we love so dearly have been called away, know that they are not lost, they have simply gone home.*

*May God bless you in your time of sorrow and let the memories that have been given to you brighten your days ahead.*
