“ Mike,

*I am so sorry to learn of your mother's passing. My Daddy told me this morning and told me it was a long night. She and your father have been such good neighbors to my parents. She vowed several weeks ago that she was going to keep an eye on Lewis and clue me in if he needed me. I would have never imagined she was in trouble herself. That's how she was, a giving, loving Christian who wanted to take care of everyone around her. May God Bless you and your family, especially your father, I know he is heart-broken. If you need me, please don't hesitate to call.*

*With Deepest Sympathy,*
