“ Aunt Lilly, you’ve been gone eight (8) years. Eight years and sometimes it feels like yesterday and other times it feels longer. I miss you. I miss talking to you and most of all I miss the sound of your voice. I went through something scary a few weeks ago and felt you and Mommy with me. I love you so much. I’m sending you a very tight hug. I walk with you and Mommy inside me; you are a part of me. All My Love.

“ *To all the family, God's blessings be upon all of you. pastor Roger and I haven't seen all of you in some years, but still feel a part of you. We always loved each of you as if you were our family but we are in Christ.*

*Buster, so happy to see that you are preaching the word-Praise God. Roger and I will have all of you in our prayers and thoughts. Your mom was one of the best, look at the children she bore and grands that she encouraged. I-Linda saw Heaven in March and she is in a beautiful place and at peace with the Lord. It is so BEAUTIFUL and peace with love. The Glory of God is beautiful and Jesus Christ is standing with open arms for all that are His. All be strong in the Lord, you will see her soon in the rapture of the church.*

*May the Lord Jesus Christ be with all but rejoice at the soon appearing of the resurrection of the dead in Christ and then we that are alive will be caught up with them in the air. Praise be unto the Lord and Blessings for all of you.*

*We love all

“*Lily was like a 2nd mother to me after I met them. We became close dear friends not long after they moved to Jackson. My mother would let me go visit them in daddy's VW bug when I was only 12. We had a cool cop who would let us by. I became like part of the family. I practically lived with them. Lily was so awesome, fun and just great all around. I spent many, many nights at their house. I knew GrandMa and GrandPa Cardel too. I loved each and every one of them. I had awesome times and made many great memories with them all. Though it was her time to go, it still hurts my heart as I know it is hurting all of them. Buster, Debbie, Kim, and Bruce I love you all and am glad I got to spend times and make memories with you. God bless and be with each of you during this time. I send all my love always....Bonnie*
