“ I knew no other private citizen of Edgefield County who worked so tirelessly and with such determination despite any obstacle to unite all of Edgefield County's communities, to keep fellow citizens informed, and to hold public officials accountable than the ever-energetic Linda Chavous Anderson . She organized public meetings with various officials so that citizens could ask questions and give input to their futures. Linda organized the Merriwether Tree Lighting, and pulled it off at the last minute in 2021. We will surely miss you, Ms. Linda, but know that you have left others behind that will pick up your mantle and carry on. Good bye for now, dear friend. We'll see you on the other side....

“ I am in prayer for the Anderson family during this time. I believe one of Linda's greatest contributions to our community was her advocacy for the restoration of the Sweetwater Community Center, which sadly fell into disrepair during the decades of the early 1980's through to its restoration in 2013, 30 years. Today it is used weekly by a wide range of constituencies - and I for one am grateful for her contribution to this critically important project for our growing community.
