January 13, 1943 - June 24, 2022

North Augusta, SC – A visitation celebrating the life of Mrs. Linda M. Chumney, 79, who entered into rest June 24, 2022, will be conducted Tuesday evening from 5 until 7 o'clock at Posey Funeral Directors.

Mrs. Chumney was born January 13, 1943, to the late W.H. "Bunk" and Josie "Jo" Morgan. She was a native of North Augusta, SC, formerly a resident of Charleston, SC, and made North Augusta her home again for over 20 years. Mrs. Chumney married her beloved husband, Jack, in July of 1968 and she had four wonderful children. She was a devout Christian woman, a lifelong member of First Baptist Church of North Augusta and attended Deer Park Baptist Church in Charleston, SC. Mrs. Chumney was an accomplished musician and served as church organist and pianist for many years. She enjoyed the simple things of life like playing bridge and was known as "the best bridge player in North Augusta." Mrs. Chumney was also an avid sports enthusiast. When she was not supporting, cheering, playing catch or coaching one of her children or grandchildren, she was following the Atlanta Braves, the Dallas Cowboys and all things golf, especially the Masters. In her high school years, she was a State Champion diver and always sought for academic excellence, where she was Salutatorian of North Augusta High School. Mrs. Chumney's greatest joy in life was her family and will be fondly remembered for having a servant's heart. She constantly gave of herself and cared for others throughout her life without hesitation.

Chumney; three sons, John McEntire of Jefferson City, TN, Wade Chumney (Tammi) of Ventura, CA, and Lee Chumney (Christina) of Johns Island, SC; a daughter, Pamela Chumney of Augusta, GA; eight grandchildren, Morgan Chumney, Jacob McEntire, Mary Chumney, Gray Chumney, Luke Chumney, Benjamin Chumney, Jack Chumney and London Chumney.

“ I was diagnosed with COPD (Chronic Obstructive Pulmonary Disease) four years ago. For over two years, I relied on inhalers and several other medications, but unfortunately, the symptoms kept getting worse. The shortness of breath became more severe, and my energy and stamina started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My breathing became easier, the coughing and wheezing subsided, and I felt stronger and more active. Incredibly, I also regained much of my energy and confidence. It's been a life-changing experience I feel more like myself again, better than I've felt in years. If you or a loved one is struggling with COPD, I truly recommend looking into their natural approach. You can visit their website at www.naturepathherbalclinic.com
