“ *To know Linda was to love Linda.*

She fought her battle with strength and determination, but she was not alone. We were all there fighting with her every step of the way and praying that God would be merciful.

We shared many precious memories with Linda and Buck; their wedding, our beach trips, shag events, dinners, and simple visits, talking and always laughing. She had a contagious laugh and a beautiful smile -- she was a good soul. We cherish the friendship we shared. We will miss her and will never forget how she blessed us with her love.

“ *I was a Plainville classmate of Linda's - including sharing our Catholic faith at Sacred Heart. I do not believe we had contact past high school, but I can see by her photo that she continued her life in gentleness, joy, and love -- I pray for the consolation of all her family and friends. May she rest in peace in the arms of Jesus and Mary, and her family in heaven!*

“ I've known Mrs. Linda my entire life and I remember going to her house for one of Paige, Kristen or Bryant's birthdays and going swimming. We always had such a great team time. Her back yard was always so beautiful with all her flowers then her cooking some of it to me I do admit look a little weird but after you tasted it it was so delicious and Lord how mercy her smile and laughter would light up the world she always so kind and always ask how you were doing. I know she'll be greatly missed by me and so many others but I know she's in a much greater place and not in pain and is walking in the sight of the Lord with no worries in world.

“ My sweet beautiful Linda was a special lady. She was one of the sweetest people I have ever known. Her smile told it all .. She is loved by so many that her life has touched. I am so thankful that she was apart of our lives even though it was way to short. She was like a sister to me and I loved her so very much.. I am so happy that Buck found this special lady to share his life and love as he loved her.. They shared a special love that few find in our later years.. I will miss your sweet smile and laughter.. Never good-bye but see you later...Always in my heart

“ Linda was like a second mother for me since I was in the seventh grade. She was so sweet and one of the strongest women I have ever known. Her smile and laugh touched everyone she came in contact with. She taught us about life and about how to live and how to love and how to be loved, and what it was to be a family. It was an honor to know and love her. She will be missed very much. Until we reunite, I love you....

“ *Where do I start? This lady was so special to everyone. Her sparkling eyes and beautiful smile was contagious to everyone she met. Buck always said she was the sweetest lady that he had ever met. No doubt, she had a kind heart and found good in everyone. You will truly be missed by the Collins Family. We loved you like a sister and mom loved you as a daughter. " As I told Buck, this is not goodbye, it's I'll see you later. Heaven has gained a sweet angel and i know she will always be around us and we will always feel the love that she always had for us. Fly High Sweet Linda, you are Home. We love you and you will never be forgotten sweet lady.*
