“ I will always have fond memories of Msm Corely growing up wit Cole & Angel. She was the one of the most caring people I have ever had the pleasure of knowing. She would always bring me chicken salad sandwiches to Cole and my little league baseball games and would tell me if I played a good game I could have one. She greeted everyone she met with a warm smile and kind words. Most of all she loved her family with all she had in her. She will be deeply missed by all that had the pleasure of knowing her. Praying for peace an comfort for Angel, Cole , and the rest of the family. God bless , Mathew & Lisa Ballard

“ *So many memories with this beautiful lady, our parents were best friends so we were together all the time, then they moved across the street from us so we saw each other every day. I was in her wedding and when I got married I wore her dress and she was in my wedding. The Mobley family is my family we didn't get to see each other a lot, but we keep in touch with sisters to make sure everyone is doing ok. We all spoiled Chris, Gail and I would have to sneak off from the other kids to go to the Varsity on Saturday night. Yes I loved her like a sister and so did my sister and brother. This picture is beautiful of her!*

Thank you, Sissy. My grandma enjoyed everything about working at the bank, especially when she could give tours to the school kids, which I think started with your boys. She always spoke so highly of you, she mentioned you just last week even. Thank you, Jessica
