“ I offer my condolences to the family for your loss. Of course, no words can express how you may. The bible promises a time when tears death and pain will be no more. (Review. 21:3,4) May your reflection on this hope and the fond memories you have bring you comfort and strength to endure this difficult time.

“ *To Linda's beautiful, loving, caring family...I am sad that Linda left this world...she left it a better place because she lived. Linda will always be in my memory. Her prayers helped my granddaughter live and I'll always be grateful for her encouragement.  
Why do bad things happen to good people?  
Linda...right now you are more alive than any one of us are...you met Jesus...Wow...wish you could tell us how heaven is.  
Thank you for living and being a part of my life, Linda!
