“ *Millie,
I remember the New Kids on the Block concert that Linda, you,
Kelley and I went to in Atlanta when you girls were in middle school.
We all stayed at the Omni hotel. You shared your backstage passes
with Kelley.
Your mom and I had a ball together while you girls went to the
concert.
Linda was always such a sweet person and so good to everyone.
I will keep you and your family in my prayers. Jo Anne*

“ It's funny how you have thoughts about people. For some reason I felt like Linda would be here forever. She was a precious lady. She will be missed by many. I know Millie and her boys were Linda's life. Anyone who worked with her knew how big a part she played in their lives and so many others' lives. Sleep well my friend. Until we meet again.

“ Linda and I went to Augusta College together. We often talked about our families and balancing our work with the time spent studying. She loved her Millie and was so proud. I had not seen her in several years, but have fond memories. May God continue to bless your family and all those who loved Linda.

Sincerely,
Jean Barney

“ *The Potters Sunday school class at Trinity On The Hill UMC send our condolences to Linda's family. She has been a huge part of our class for years. She has blessed us all with her love for Christ and her amazing ability for bakeing. We always knew we would have a full class when it was Linda's time to bring snacks. She will be missed by everyone who had the pleasure of knowing her. Our hearts are broken for Millie, Marshall and Walker. We know she loved you guys with all her heart and was constantly keeping us informed of your lives.*
